

Clean Air Challenge

This May, join us in supporting Clean Air Month by encouraging your employees to share the ride.

For Your Employees

The Clean Air Challenge asks commuters across South Florida to make the pledge to carpool, ride transit, vanpool, bike or walk to work at least once during the month of May. Participating commuters will be entered to win a \$100 Visa Card.

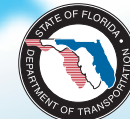

For Your Company

Companies that can assist us in getting 10% of their workforce to make the pledge will be entered to win \$1000 in transportation related incentives. A \$1000 incentive will be given away to a company in Miami-Dade, Broward, Palm Beach, and the Treasure Coast.

Property Managers can also join the Challenge! If over 10% of the workforce at your property makes the pledge, you will be entered into a separate drawing for \$1000 worth of transportation incentives.

For more information,
on to register to participate,
contact your **SFCS** representative
